

MARDS Erasmus+ Banska Bystrica Training October 2nd - 5th 2019 Questionnaire

11 responses

1 General data

Country of origin

11 responses

Institution

11 responses

2. Training contents

The overall training met my interests

11 responses

I received new and relevant information for my work.

11 responses

I feel reliably and objectively informed about the training topics and goals.

11 responses

Introduction to collaborative doctoral programs was clearly presented

11 responses

The training improved my awareness of important components of collaborative doctoral programs

11 responses

Brainstorming about two (2) collaborative doctoral programs within MARDS project was successful

11 responses

Preparation of the structures for new programs (key elements) was successful

11 responses

Factors for success of collaborative doctoral programmes were clearly presented

10 responses

Presentation of proposed collaborative doctoral programs and final discussion was successful

10 responses

The training offered contributions/results that I would consider innovative.

11 responses

I will work with/apply/integrate the training outcomes in(to) my work at programmes development.

11 responses

I will inform my colleagues about the training and its content.

11 responses

The training programme met my needs for information.

11 responses

The training format (duration, size, group of participants, etc.) met my needs.

11 responses

Lecturers explained training topics clearly

11 responses

Lecturers encouraged participation and answered questions fully and clearly

11 responses

3. Training event organization and management

Information (about travel, accommodation etc.) received before the training from host partner, responding in time

11 responses

General organization during the training

11 responses

Domestic arrangements (accommodation, transport, meals etc.)

11 responses

The information (on tasks, materials for the training etc.) received before the meeting from the coordinator

11 responses

The coordinator facilitates communication and collaboration between partners. Everyone was encouraged to contribute to training discussion.

11 responses

The training has been prepared and managed in the most (resource) efficient way in order to make best use of the available time

11 responses

4. Quality of Project partnership

Communication amongst partners was effective

11 responses

Development of teamwork and positive attitudes was evident

11 responses

5. General impression

Please write at least two strengths (positive aspects) of conducted training workshop

7 responses

New PhD Joint Programs approaches

1) Good organization and 2) high level of partnership

Patience, correct

A lot of new information. Very good presentation.

Networks and knowledge exchange

Very good and useful workshop.

Lecturers and training format.

Please write at least two weaknesses of this training workshop

4 responses

-

1) Bad communication between some partners and 2) lack of willingness from some partners to be more active during discussion part

Cooperation between Albanian and Montenegro partners, lack of legal information

Lack of teamwork and mutual comprehension.

What should be taken into account for the next training / suggestions?

3 responses

Further development of established concepts

Further communication

How to select the best Ph.D. candidates
